Article I Three-Foot Safe Passing

[Adopted 6-8-2021 by L.L. No. 4-2021]

§ 213-1 Title.

This article shall be known as "Carrie Ray's Three-Foot Passing Law to Protect Bicyclists."

§ 213-2 Legislative intent.

This Legislature hereby finds and determines that it is the duty of Monroe County to protect the health, safety, and welfare of its residents. This Legislature also finds and determines that many Monroe County residents ride bicycles for exercise, recreation, and as a primary mode of transport. This Legislature further finds and determines that when riding on roads, cyclists are vulnerable to the actions of motor vehicle operators. This Legislature determines that vehicles passing bicyclists pose a threat to the health and safety of these bicyclists if passing too closely or from the right side of the road. This Legislature also finds that a minimum passing distance should be established to protect bicyclists in Monroe County. Therefore, the purpose of this article is to establish regulations to protect the health and safety of bicyclists in Monroe County.

§ 213-3 Minimum distance requirements for motor vehicles passing bicycles.

The operator of a vehicle that is overtaking, from behind, a bicycle proceeding on the same side of the road shall pass to the left of such bicycle at a distance of at least three feet until safely clear thereof.

§ 213-4 Severability.

§ 213-5 Effective date.
